

VENN DIAGRAM

TEACHING NOTES

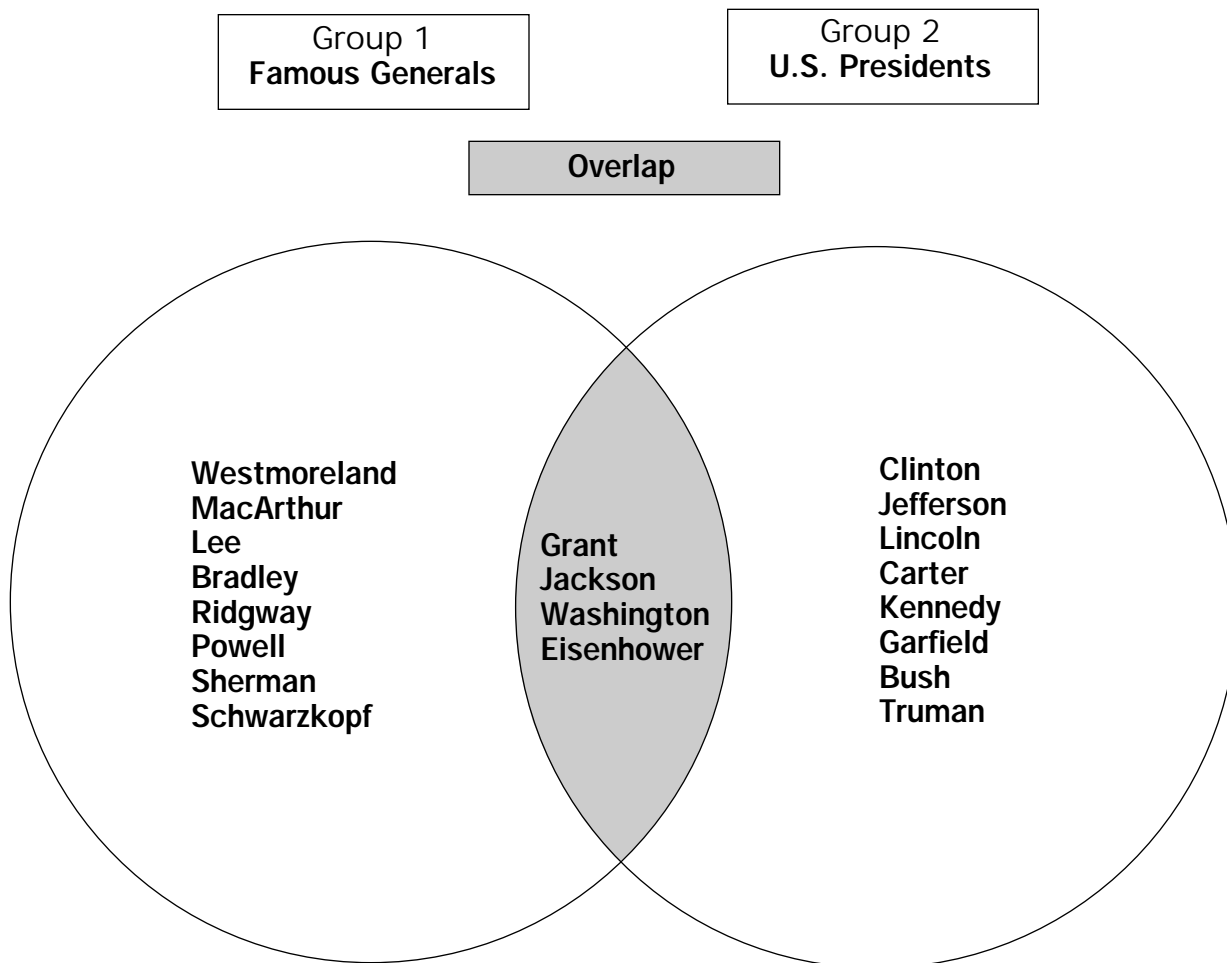

You can use the Venn Diagram transparency for prewriting activities related to comparison/contrast writing assignments. You can also use the transparency for comparing literary selections or characters in the selections.

the overhead projector. Have students suggest two objects, groups of people, literary selections, or other items. Then have students identify appropriate items for each area of the diagram as you write their suggestions on the transparency.

Presentation

To show students how to use the Venn Diagram for comparison and contrast, place the transparency on
